

LUXE LEON
INTERIORS

by CMA Purchasing

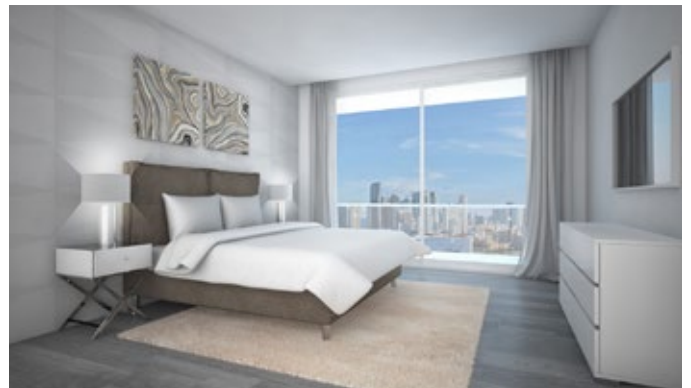

LUXE LEON INTERIORS offers contemporary high-end furniture and accessory turnkey packages designed for investment properties to make it easy, efficient and affordable to create distinctive upscale interiors for the rental market. We work exclusively with developers and investment property owners, delivering quality products within a budget while providing impeccable service.

Products are commercial-grade, produced to withstand the rigorous use of hospitality and investment properties, and are designed and manufactured to our own exacting standards, backed by CMA Purchasing's 30 years of experience in sourcing just the right products to meet any budget.

BEACH CHIC PACKAGE

Beach Chic reflects a refreshingly organic and fashionably casual coastal style. This luxurious design features driftwood-inspired woods, stylish linen-like fabrics and polished chrome accents, and transforms beach casual into beach chic to delight the most refined of tastes.

NEW WAVE PACKAGE

New Wave redefines the high energy, here-and-now look of luxuriously contemporary design. Featuring acrylics, white lacquered wood finishes, glass table tops and polished chrome accents, this package presents a sleek, elegant look with the warmth and comfort of plush upholstery.

PACKAGES

Select from 4 different turnkey designer packages each available in one- or two-bedroom unit options. Each package includes high-end furnishings for the Living Room, optional Den, Dining Room, and Bedroom(s). Convenient household goods are also provided, including china, silverware, glassware, pots & pans, linens, towels, bathroom accessories, and more.

White-glove delivery and installation service is included. The production efficiencies of pre-packaged designer sets enable the effortless creation of beautiful custom looks for properties at substantial savings. For additional information and product details, visit www.luxeleoninteriors.com.

MID CENTURY MODERN PACKAGE

Mid Century Modern blends elegant retro design with minimalist simplicity to complement a sophisticated urban living style. The walnut wood, polished gold accents and refined upholstery with flowing contours unify a form and function that is enduringly fresh and current.

SAVVY PACKAGE

Savvy offers sleek comfort within the context of discerning present-day styling. Mixing natural wood and grey and white lacquered wood finishes with polished chrome accents, Savvy's understated design creates a modern look that will stand the test of time.

Behind Luxe Leon Interiors is the 30+ years of knowledge, expertise and resources of CMA Purchasing, offering a complete range of purchasing services for the Multi-Family Housing, Hospitality, Government and Senior Living markets.

CMA Purchasing's leadership team has over 115 years of combined experience in architecture and design, construction, manufacturing and sourcing. With its broad complementary skill sets, strong leadership, full team of dedicated, hard-working professionals, and operating efficiencies, CMA Purchasing can manage the details of furnishing rental properties so its clients can focus on the broader aspects of property investment and development.
